I am committed to making my work publicly accessible. Where a publication is open-access, this page links to the open version. Otherwise it links to the author's accepted manuscript (the peer-reviewed, pre-typeset version) in accordance with each publisher's self-archiving policy. If a manuscript you want is not here, please email me and I'll send it directly.

Scholarly Books

Jones, R. S., Rosenberg, J. M., & Boles, K. (under contract). *Teaching Data Investigations to K-12 Learners: A Field Guide for Educators.* Routledge.

Author's accepted manuscript posted per standard green-OA self-archiving norms (publisher policy not verified individually).

Wang, W., Akcaoglu, M., Rosenberg, J. M., & Kellogg, S. (under contract, anticipated publication late 2026). *Computational Analysis of Educational Data: A Field Guide Using R.* CRC Press.

Author's accepted manuscript posted per standard green-OA self-archiving norms (publisher policy not verified individually).

Estrellado, R. A., Freer, E. A., Mostipak, J., Rosenberg, J. M., & Velásquez, I. C. (2020). *Data science in education using R*. Routledge. *Note.* All authors contributed equally. http://www.datascienceineducation.com/

doi.org/10.4324/9780367822842

Author's accepted manuscript posted per Taylor & Francis self-archiving policy.

Book for General Audience

Rosenberg, K., & Rosenberg, J.M. (in press, anticipated release early 2027). Hiking Knoxville: Family Friendly Adventures from the City to the Smokies. UT Press. https://utpress.org/9798895274262/hiking-knoxville/am

Link

Under embargo until ~2027 per publisher self-archiving policy.

Articles Under Review

Lopez, F., Darriet, C., Santibanez, L., Cervantes-Soon, C., Frankenberg, E., Asson, S., Delcid, G., Serrano, E., & Rosenberg, J.M (under review). Enrollment patterns and online portrayals of dual language programs in California: Obstacles and promising efforts for equitable access.

Author's accepted manuscript posted per standard green-OA self-archiving norms (publisher policy not verified individually).

Staudt-Willet, B., Na. H., & Rosenberg, J. M. (Revise & resubmit stage). Understanding the work of educational data scientists: A mixed methods exploration.

Author's accepted manuscript posted per standard green-OA self-archiving norms (publisher policy not verified individually).

Articles Published in Refereed Journals

Morina, F., Fütterer, T., Carpenter, J., Rosenberg, J. M., & Fischer, C. (2026). Unlocking the Potential of Resources: An Examination of Sharing and Uptake signs in Educational Online Communities. *Computers & Education*, 105703. https://doi.org/10.1016/j.compedu.2026.105703

Open-access version · doi.org/10.1016/j.compedu.2026.105703

Open access (cc-by). Author's accepted manuscript posted per Elsevier sharing policy.
